A: It isn't necessary to put the serial number in the title. Your serial number is hidden by the automatically generated title. The title is what is displayed. The serial number is just a label, any label, for when you want to make the title a link to the serial number page. Q: 'file name' is not recognized as an internal or external command error in Vs Code I am facing an issue with this error in Vs Code. I have python file 'v1.py'.

```
import operator
import requests
import json
import pandas as pd
input = str(input("Enter Folder Path: "))
print(input)
workspace = VisualStudioCode.createWorkspace()
workspace.addFiles(input)
workspace.open()
Inside this python file i am using some Json files.
import matplotlib.pyplot as plt
import os
import numpy as np
import pandas as pd
# retrieve data
# i already have a requirement to set a folder path and file name
req_folder_path = "Requirement.json"
# open file with open(req_folder_path, 'r') as f:
req = json.load(f)
data = []
for key in req:
    for t in req[key]:
        date = t["date"]
        time = t["time"]
        tick = t["tick"]
