Apr 19, 2020 · There's still plenty of life in Dying Light VR, which is out today on Gear VR and Oculus Quest.. Whether you're talking about the first-person. There are few games I'd rather spend time in than a vast, open environment to traverse by foot and in vehicles. Dying Light, which launched in 2013, is the game that did it for me. It is an extremely difficult game to define because it borrows heavily from a variety of other genres.Streaming + Download name your price about So this is for you guys out there who are reading, like my last single and enjoy my music, it’s for you and all the rest of you! It’s for me too, I’m back to writing songs that I can dedicate to all of you. This is a collaborative set, with my friend Cam Fenton on sax and with us going back to the past too with a real bluesy ‘feel’. There is a very decent demo of that track on Soundcloud too.
