SimpLite-Jabber Google Talk Crack+

77a5ca646e

What's New In SimpLite-Jabber Google Talk?

SimpLite-Jabber has been designed to secure your personal Jabber/Google Talk conversations. SimpLite-Jabber comes with all the functions of the SimpLite version but has been rewritten and adapted to Jabber/Google Talk protocol. It is the only Jabber/Google Talk application capable of sending and receiving messages in cleartext mode. SimpLite-Jabber is a Jabber/Google Talk compliant client application developed in French. SimpLite-Jabber can be launched from a shortcut on your desktop or from a.plist. If you need to be able to access your messages in your contacts list, simply create a.vcf import from the contacts list. SimpLite-Jabber handles the following Jabber/Google Talk protocols: XMPP, GTalk, ICQ, AIM, MSN, Yahoo, Jabber. Full Features: 1. Usable from a shortcut on your desktop, or from a.plist. 2. Open a Jabber/Google Talk account from the menu bar. 3. View the history of your conversations and messages. 4. Search the history of your conversations. 5. Sort your contacts alphabetically. 6. Completely customizable toolbar. 7. View the history of your messages sent and received. 8. Sort your messages by arrival time, date or conversation. 9. View the notification tray. 10. View the contacts tray, and open the contacts list. 11. View the events tray. 12. View the message tray. 13. Mark messages as read. 14. Hide or display a single message, group or list. 15. Read all of the messages from a contact. 16. Edit the list of contacts. 17. Sync the address book with the contacts list. 18. Delete the address book from your contacts. 19. Disconnect from a Jabber/Google Talk account. 20. Display the splash screen when you launch the application. 21. Send an Instant Message to a contact. 22. Save or import a contact list. 23. Connect a Jabber/Google Talk account with a Jabber server. 24. Join a Jabber/Google Talk account with a Jabber server. 25. Access all of the capabilities of a Jabber/Google Talk server (files, groups, chat history). 26. Request a password change. 27. Go online or create a new Jabber account. 28.
