The goal of the Resident Evil series is to put you in the shoes of characters fighting against threats brought on by a zombie outbreak. The stories you play are very ambitious and obviously influence the evolution of video games and even changed the film industry. The ability to continue to tell a story after the initial release of the game is amazing, but it comes at a price. This episode focused on the very good release Resident Evil: The Complete Collection on PC. This TV series is a compilation of various Resident Evil games available, including the series first PC game, Resident Evil (1996), first sequel Resident Evil 2 (1998) and first expansion Resident Evil 0 (2001). This time youre a special agent of Umbrella, and it seems like the Umbrella team is out to find you and take away your memories, revealing the truth of the Raccoon City massacre and why youre here. This time around you can use a totally new arsenal of horror-inducing weapons including a pistol, a machete, a sniper rifle and a chainsaw. You also get to use cameras and motion detection to find your way around the mansion, and tap the touch screen to pick up items and run. If youve ever played Resident Evil then youll feel right at home. The graphics are fantastic, the spooky atmosphere is dark and scary and the game play is equally awesome. 5ec8ef588b
